Participants are introduced to the history and work of Heifer in communities around the world, including the United States, through videos, interactive discussion, and hands-on activities. The program defines Heifer's mission to end global hunger and poverty by engaging communities in establishing a sustainable economy by working together. Participants are then led through the exhibits in an age appropriate scavenger hunt which illustrates the various areas of Heifer's community involvement.

- ✓ **Introduction** - You will be introduced to Heifer's mission to work with communities to end hunger and poverty and care for the Earth and learn how Heifer Village's work to educate visitors is a vital part of that plan.
- ✓ **Video** - You will watch a video that will share the story of Heifer by introducing viewers to Heifer project families from around the world. Learn about the 7 M's that animals can provide to humans (milk, meat, money, manure, motivation, muscle, & materials) via an interactive activity.
- ✓ **Tour/Exhibit Hunt** – An age appropriate scavenger hunt/tour of the interactive exhibits in Heifer Village illustrates Heifer's work in ending world hunger and poverty through Sustainable Agriculture, Education, Fair Markets, Infrastructure, and Health Care. Also included is a trip to the Urban Farm which demonstrates methods of sustainability and conservation benefitting the environment and where you gain insight into the work of Heifer USA.
- ✓ **Optional Add-On Tour of Heifer Headquarters** (if selected). *See page 4 for more information.*
- ✓ **Closing and Take Action Discussion** – Evaluate what you have learned via a discussion facilitated by Heifer Village Educators. Explore the ways in which you can apply this knowledge to help create a world without hunger and poverty at Home, Work, and School.
