GIFT ANNUITY DISCLOSURE STATEMENT

The board of Heifer Project International established Heifer International Foundation in 1990 for the purpose of managing charitable annuities, trusts and bequests and building an endowment to support the efforts of ending hunger and poverty and caring for the Earth. The Heifer International Foundation board is comprised of nine trustees who are responsible for governing the work of Heifer International Foundation. The trustees are elected for a three-year term which is renewable for one additional term of three years.

A Heifer International Foundation gift annuity agreement is an irrevocable contract between the donor and Heifer International Foundation. Annuity payments are a general obligation of our organization, and are backed by assets of Heifer International Foundation. As of June 30, 2013, Heifer International Foundation's assets totaled over \$82 million, with endowments totaling about \$57 million, \$23 million in trust and annuity funds. These assets are invested in stocks, government and corporate bonds, money market and mutual funds. A portion of these assets are held in a separate gift annuity reserve valued at over \$9.5 million and invested in accordance with state law. Charitable gift annuities typically pay less than commercial annuities. If Heifer International Foundation should ever fail financially, individuals entitled to receive annuity payments from Heifer International Foundation would have sole claim to these accounts. In addition, they would qualify as general creditors of Heifer International Foundation to the extent this account did not fully cover all annuity obligations.

Common investment funds managed by Heifer International Foundation are exempt from registration requirements of the federal securities laws, pursuant to the exemption for collective investment funds and similar funds maintained by charitable organizations under the Philanthropy Protection Act of 1995 (P.L. 104-62). This information is provided to you in accordance with the requirements of that Act. Please consult with an accountant or legal advisor about your specific situation.
